

Talent Show

Get your Act Together!

The Talent Show is coming in Friday, February 3rd.

Get your friends together for a song or dance, dust off that piano piece you've been working on, polish up your Karate form or plan a skit! There are so many ways you can participate. This year, we'll have a pianist to accompany you if you sing! Karaoke singing is okay, too. Singing acts are limited to 2 minutes. Skits, routines and magic acts have 3-4 minutes. Rehearsals will be weekly, from 6-7, on Tuesday or Thursday. (We will try to place your act on the day most convenient for you.)
